Church

1. In light of the COVID-19 wave in Sydney, the Combined Board has recently met and had decided to close the Church to all small groups and visitors until a COVID Safe Plan can be implemented for the Church site unless otherwise approved for entry by the CB. We anticipate that this will be fully established by the first week of January. We apologise for any inconvenience caused especially to those who have already booked but we believe that this is in the best interests for the safety of the Church members to do so. As we speak the policy is being reviewed and implemented which includes sanitising stations, wipe down equipment, QR code registration for contact tracing, proper signage and code of conduct policy for all groups entering the Church. We will update the congregation when it is able to be used for wider church uses and we expect it to be ready in the next week or so. We appreciate your patience in the matter.
2. Please prepare juice and bread for Holy Communion next week on 3rd January.
